WMIT
FACTORY

Watt Factory

Watt Factory is a lively new community of entrepreneurs and creatives focused on Smart Cities & Climate Change. It will be the hub for improving city living enabled by technology.

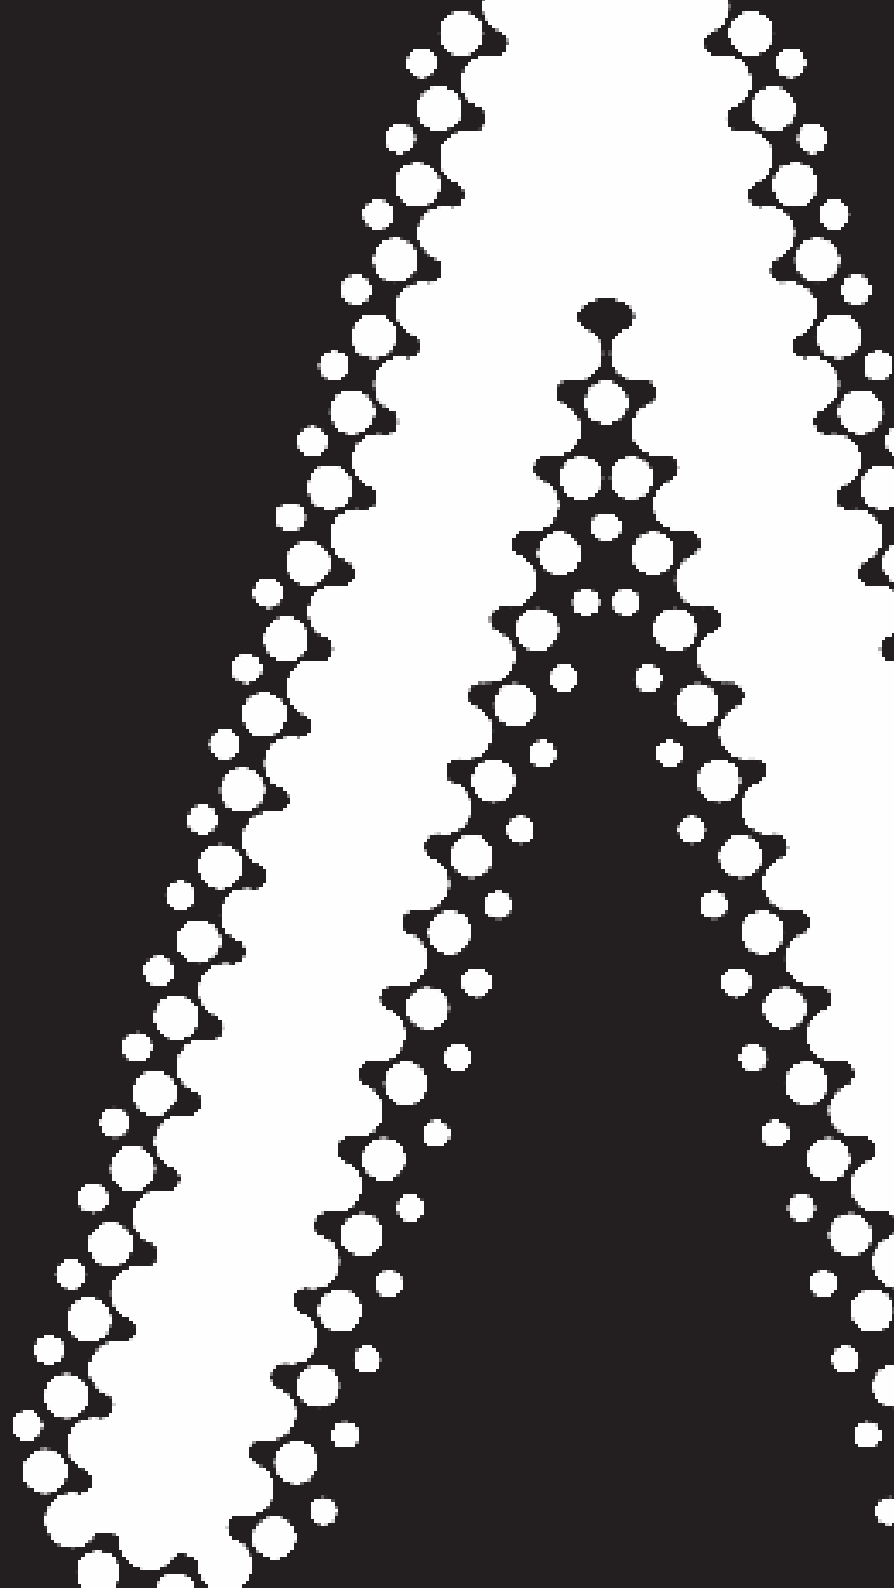
Whether you're a company looking for an inspiring location for a team meeting or an event-organiser looking for the perfect venue, you'll find a great partner in Watt Factory. We offer meeting rooms of 4 to 10 people and a flexible event space, suited for a wide range of events. Whether you want to welcome your business partners in a professional setting, or you just want to have a creative, encouraging meeting: Watt Factory is the place to be.

Where are we located?

Watt Factory is located in the warehouses of the old textile factory ‘La Lys’ in the heart of the Brugse Poort in Ghent and is easy to reach.

Coworking & Office Space

Whether you’re a freelancer, you and two of your friends just launched a company or you already established a pretty impressive business, Watt Factory can become your second home. We provide flexdesks & private office space and make sure you can focus on your core-business.



We offer private offices that accommodate 2 to 22 people.
